HEAR THIS! (...AND MORE!)

In this program PCFF presents three high quality, yet very different films about young people and deafness. Two films (*Matilde* and *Through Ellen's Ears*) are about girls of different ages demonstrating how they overcome obstacles that a hearing person might be unaware of. The third story (*Hear This!*) is told from a boy with hearing who has two deaf parents. Together these films offer perspectives that are not often depicted in films. The emotional impact spans from frustrating to heartwarming to inspiring.

MATILDE

THROUGH ELLEN'S EARS
Ages 8+ / The Netherlands, 2013 / Dutch with English subtitles / Dir. Saskia Gubbels / 19 min

YOUTH FILMMAKER SHOW FEBRUARY 23, 12PM

PCFF is committed to nurturing the work of young filmmakers and so is proud to present a program of films all made by youth—from around the world—and to provide an opportunity for young filmmakers to talk about both the fun and the challenges they face. The quality may vary, but a passion for filmmaking is evident in each and every selection in this program. The up-and-coming artists hail from as far away as Australia to as near as your own backyard, and the program will include the films produced in the PCFF 2014 Workshops (Feb. 8 and 9). There will be time after the show for Q&A and discussion with those filmmakers who are able to attend. Please join us!

All ages / 60-70 min
