were Free/Pay What You Can

PCFF moved to a "Free/Pay What You Can" model for ALL film screenings, workshops and in-school programs. Eliminating financial barriers ensures our programming is **ACCESSIBLE TO EVERYONE**, but makes your support even more critical to our mission.

### WITH YOUR SUPPORT, PCFF...

#### delights

by cultivating joy and wonder through shared film experiences.

We bring award-winning animated, live action and documentary films from all over the world to diverse audiences.

#### educates

by honing youth media literacy skills through the art of filmmaking.

We offer accessible and inclusive filmmaking workshops all year long in partnership with local public libraries.

#### inspires

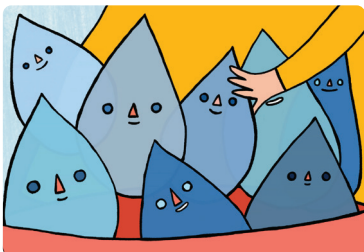

by sparking imaginations with remarkable and impactful stories.

We seek to inspire and empower young minds to dream big as they find their unique voices and talents.

#### connects

by bridging global concerns to our local community.

We bring big film themes and ideas home through collaborations with organizations engaged in similar issues.
